

Thank you for your interest in organizing a Create a Fundraiser event to benefit UCP of Sacramento and Northern California.

UCP of Sacramento and Northern California is the leading provider of comprehensive services to children and adults with all types of developmental disabilities and their families. UCP works with 4,775 people a month in our eight county area, empowering children and adults who – without support – would be isolated from community.

Creating your own fundraiser is a great way to get involved with the mission of UCP of Sacramento and Northern California and to make a real difference in the lives of the children, adults and families we serve every day.

In addition, you reap the benefits of supporting your community: partnering with a leading non-profit in the Sacramento region, getting your company's name out in the community, event advertisement on the UCP of Sacramento and Northern California website, providing an opportunity for teambuilding within your organization, and recognition on our Community Partners website, as well as in our Annual Report, which is distributed throughout the community.

A leader in the community, UCP of Sacramento and Northern California has a variety of programs that range from therapeutic horseback riding for children and adults, adult day programs, an Autism Center for Excellence at Sacramento State, transportation services, independent living instruction and in-home family respite care.

No matter the program, UCP is efficient with funding. For every dollar we receive, 90 cents supports our clients. Your support helps us reach clients who need support in living their life without limits; thank you for your consideration of the people we serve.

With sincerest thanks,

Doug Bergman
